Remarks

Turn sweat equity into SWEET equity! Diamond in the rough needs a little more help to get to the finish line. Three bedroom bungalow has been freshly painted, has refinished hardwood floors on main level, new ceramic flooring in kitchen, utility room and bath, new cabinets in kitchen, and new carpeting in upper bedroom. Roof is newer on the house, some windows have been replaced too. Separate utility room off kitchen. Rear yard is fenced. Detached two car garage. Nice neighborhood, close to expressways, restaurants and shopping.
